The Department of Agriculture (DA) is directed to spearhead the implementation of the Agricultural Development Program (ADP) – a priority program of the government in the realization of agri-based industry potential as a major driver for economic growth.

In relation to this, the government pushes for more prudent and targeted spending by fostering collaboration among agencies, both in planning and implementation, which shall be further reinforced through the 2024 Program Convergence Budgeting.

With this, the DA-Planning and Monitoring Service (PMS) would like to invite you or your representative to the following meetings:

- February 15, 2023 (9:00 AM - onwards) - Cascading of ADP's objectives and direction for FY 2024; and
- April 12, 2023, 2023 (9:00 AM - onwards) - Presentation of Partner Agencies' FY 2024 Program Convergence Budget on ADP

The objective of this two-part meeting is to harmonize and synchronize budget process and timing of the program interventions across participating government agencies.

For queries and clarifications, you may contact Ms. Denise Ella Lisondra and/or Mr. Dan Joseph Anabo through telephone number (02) 920-1921 or email at ppd2021@da.gov.ph.
