MAY 6, 2017

*Strengthening
collaboration in the field*

The FPA-Regional Office CAR headed by Supervising Agriculturist Mr. Reynaldo Segismundo conducted an Information, Education and Communication (IEC) campaign in the Tinalieb Elementary School in Benguet to provide children-friendly information on proper farming and other pertinent matters.

MAY 13, 2017

*Enforcing the law and fulfilling
the mandates in the field*

The FPA-Regional Office 8 headed by Supervising Agriculturist Mr. Francis Costas held an inspection activity in the PhilPhos warehouse to monitor the status of the products being housed and handled within their facilities.

MAY 16, 2017

*Boosting the
knowledge
and skills of
industry
professionals*

The FPA-Regional Office 11 led by Supervising Agriculturist Ms. Estrella Laquinta conducted a training on Accredited Safety Dispenser of Fertilizer and Pesticide (ASD). The ASD Training aimed to educate stakeholders on the Presidential Decree 1144; general fertilizer and pesticide information; handling and storage; transport and distribution; poisoning and first aid; and other related topics on the regulation of fertilizer and pesticide.

MAY 19, 2017

Strengthening collaboration in the industry

The FPA Executive Director Wilfredo C. Roldan, Deputy Executive Director (DED)-Fertilizer Atty. Francis Romulo I. Badilla, Jr. and DED-Pesticide Mr. Eric C. Divinagracia together with FPA-Regional Office 4 Supervising Agriculturist Ms. Leticia Hernandez participated in the Advisory Board Meeting with the National Crop Protection Council, CADS and UPLB.

MAY 19, 2017

*Fortifying collaborations
and immersing in the field*

The FPA Executive Director Wilfredo C. Roldan graced the 49th Anniversary and Annual Scientific Conference of the Pest Management Council of the Philippines, Inc. "The theme for this symposium "Strategic Pest Management...beyond ASEAN Integration" reflects the reality of today's call for more reliable and efficient farm management and strategies so that we could cope up with global advancements in food security and safety around the world," he said.

MAY 19, 2017

*Boosting the
knowledge
and skills of
industry
professionals*

MAY 30, 2017

Celebrating 40 years of FPA milestone

The FPA celebrated its 40th Anniversary with the entire FPA Family and all fertilizer and pesticide industry players and stakeholders. Activities included were: fiesta; 70s-theme dance contest; red carpet night; cotillion; awarding of employees; and socials night. "Through the four decades of its existence, the FPA has grown gradually, addressing issues and concerns as they come, and coping up with the complex demands of the industry and the agriculture sector. And as a former member of the fertilizer industry, I have witnessed how the FPA has been true to its mandate."
