MEMORANDUM CIRCULAR
NO. 03
Series of 2020

TO : ALL CONCERNED
THIS OFFICE

SUBJECT : DISCONTINUANCE IN THE ISSUANCE OF CERTIFICATION ON
IMPORTED FERTILIZER PRODUCTS INTENDED FOR
INDUSTRIAL AND OTHER PURPOSES OTHER THAN
AGRICULTURAL USE.

This is to inform all concerned companies that the Fertilizer and Pesticide Authority (FPA) **will no longer issue certification to any imported fertilizer products to be used for industrial and other purposes other than agricultural use** since the **issuance of such certification is not within the jurisdiction of FPA**. As per FPA mandate, only fertilizer products used for agricultural purposes shall be registered with FPA and the corresponding certification shall be issued.

In line with this, any company who wish to import fertilizer products for industrial and other purposes shall go directly to the concerned agency to seek the necessary certification being required by the Bureau of Customs.

For strict compliance.
