Memorandum Circular No. 16
Series of 2018

**TO : ALL FERTILIZER HANDLERS
ALL REGIONAL AND PROVINCIAL OFFICERS**

**SUBJECT : ISSUANCE OF ENDORSEMENT LETTER FOR
BIOEFFICACY FIELD TRIALS**

In line with the Fertilizer and Pesticide Authority's (FPA) mandate to continually enhance its quality management system, please be informed that all applications for Experimental Use Permits (EUP) must now have endorsement letters from the FPA provincial officer covering the area where the bioefficacy trial will be conducted. Upon submission of the terminal report, a second endorsement letter issued by the same officer acknowledging completion of the trial must then be attached.

Implementation of the abovementioned policy will improve coordination with our field officers by informing them exactly when a bioefficacy trial will be conducted and has ended.

This issuance shall take effect immediately.

For your information and guidance.

WILFREDO C. ROLDAN
Executive Director
